THE PROPERTY DETAILS

This is a classic two-story home in an established neighborhood with a lot of brand new! From the exterior you'll see a fresh coat of paint, new vinyl windows and refreshed landscaping. When you step inside, you'll have a hard time believing this house was built in 1965. There is brand-new flooring and fresh paint throughout the first and second floors! All the bathrooms have been completely renovated with new

vanities, fixtures and tile. The kitchen is over the top with a plethora of cabinets with quartz countertops, a custom backsplash, pantry and island. The basement is a walk-out, has lots of storage and potential for more living space!
